

So Big! ... Trains!

Who is here today?

Who is here today? Who is here today?

Everybody clap and say who is here today?

Bread and Butter

Bread and butter, jelly and jam.

Let's say hello as loud as you can.

Hello!

Bread and butter, jelly and jam.

Let's say hello as quiet as you can.

Hello

Repeat with high/low

Yes in baby sign language

Can You Clap?

sung to the tune of *Do Your Ears Hang Low?*

Can you clap your hands?

Can you clap them very loud?

Can you clap them in the sky?

Can you clap them on the ground?

Can you clap them over here?

Can you clap them over there?

Can you clap your hand?

Again in baby sign language

Wiggle Wiggle

I wiggle my fingers, I wiggle my toes,

I wiggle my shoulders, I wiggle my nose.

Now no more wiggles are left in me.

I'm as still as still can be.

Train Ride

I love to ride on a train, toot toot
I love to ride on a train, toot toot
Come on aboard and ride with me
We'll see what we can see

That was a really fun ride, toot toot
That was a really fun ride, toot toot
Hope ya ride with me next time we meet
And we'll see what we can see

Sitting at the Railroad Station

I'm sitting at the railroad station and watching the track
Counting all the cars as they go clickety clack
One and Two, Three and Four
I think there's about a hundred more!
Clickity, clackity, clickity, clackity, clack!

The engineer waves to me and I wave back
The engineer waves to me and I wave back
I count the cars as the freight train goes
and the whistle blows and blows....and blows!
Clickity, clackity, clickity, clackity, clack!

The engine in the front of the train is big and black
The engine in the front of the train is big and black
The cars are filled with lots of things
Like milk, or oil, or mattress springs!
Clickity, clackity, clickity, clackity, clack!

I'm sitting at the railroad station and watching the track
Counting all the cars as they go clickety clack
Five, Six, Seven, Eight, Nine, Ten
There's a little red caboose right on the end!
Clickity, clackity, clickity, clackity, clack!

Make a homemade kazoo!

You will need an empty cardboard tube, wax paper, a rubber band, a hole punch or pencil to poke a hole and materials to decorate the tube if you wish.

Instructions:

Decorate cardboard tube. Cut a piece of waxed paper in a five inch circle and wrap around one end of the tube securing with a rubber band. Make sure wax paper is tightly wrapped. Make a hole about one and a half inches or so from the wrapped end with a sharp pencil or hole puncher. Now you can sing or talk into the open end to sound your kazoo!
